**Professional Code of Conduct Agreement
Agreement between KW Health & Wellness Participants
and EHE Holistic Centre 2019**

As a Participant, I understand that I am in a role that carries with it authority and power. I have a responsibility to make available certain resources, talents, knowledge, and expertise which will serve the best interests of the people who visit my booth and/or my presentation.

As a Participant, I recognize that my modality may involve physical touching of someone visiting my booth. This is to be done only with the permission of the client or perspective client.

As a Participant, I will maintain boundaries appropriate to a professional relationship and refrain from any conduct that would constitute sexual misconduct or sexual harassment. I will not seek physical intimacy, sexual contact, or engage in sexualized behavior with any presentation/workshop attendee or any other person who is part of the organization. Furthermore, even if the possibility of romantic or physical involvement is initiated by any person who is part of our agency, I will maintain the boundaries of a professional relationship, recognizing that it is my responsibility to do so.

As a Participant, I am totally responsible for any claims made about my modality or product. EHE Holistic Centre does not endorse, nor is liable for the practices of any practitioner/vendor at the KW Health & Wellness Expo.
